EDITOR'S LETTER

I'm a creature of habit, me – give me a Thursday to send my mag to the printers and I'm as happy as Larry. Ask me to do it on a Wednesday, though, and I don't know whether I'm coming or going! Does this look right to you – a load of lovely naked ladies interspersed with features and stuff? I guess that's right. And a car?! Well, I suppose that's how it's meant to be. And what am I meant to do with myself tomorrow?!

SUNDAY ROAST

Dear *Mayfair*,

I've never been the type of guy to settle down and, as I'm still only in my mid-20s, I'm enjoying playing the field. That's not to say I don't have a few girls on the go that I see regularly – well, I've got to get my dick wet, haven't I? I don't really have a type, although I do like my girls to be fit. There's no point in shagging a minger, is there? If they've got a good personality it's a bonus – and I'm more likely to see them again if we've got stuff in to talk about.

> "I FELT AS MUCH AS HEARD HER GASP AROUND MY BELL-END AS SHE KEPT ON SUCKING ME..."

Take one girl I've been seeing for the last six months, or so, Vanessa. She's gorgeous; long blonde hair, big tits, a pretty face and a bum I could stare at for hours. We do have quite a bit in common and she's a really nice girl, which is why she's still around (apart from the mind-blowing sex we have, of course!), but to say she's a bit of a bimbo is an understatement, bless her.

One Sunday last month, it was the morning after a big night out and my best mate Cain had crashed over – as had Vanessa. She volunteered to cook us a roast chicken for lunch but seemed really puzzled when Cain and I started sniggering like schoolboys over the word 'roast'.

Even after Cain said, "As in spit-roast..." Vanessa still looked baffled so he went on to explain the sexual position, while I rolled about laughing. I thought Vanessa would be a bit embarrassed, but she wasn't – far from it. Instead of being shocked, she casually came out with, "Yeah, I did one of those once...", much to our astonishment. She told us that she'd got pissed up a few years before with two exes who'd been mates and had let them share her, saying it had been a one-off but great fun!

Honestly, I was gobsmacked. I'd been seeing the girl every so often for the last six months and I had no idea she was so wild and free in the bedroom! Not that it made any difference to me, but it did get my brain working!

Cain was way ahead of me, however, and as he knew it wasn't serious between Vanessa and me, he tried his luck, immediately saying that if she'd done it for them, she should do it for us. I was about to tell him to fuck off when Vanessa surprised us both by replying, "Well, if that's OK with you, Baz?" and stared straight at me. Who knew she was so up for anything?!

I couldn't do much more than nod, but as soon as I did, Vanessa was wriggling out of her clothes, garments dropping to the floor one-by-one until she was standing in front of us stark-bollock-naked!

Cain wasted no time and jumped up, going straight in for a grope of her big tits as he stuck his tongue down her throat. I watched, my dick springing up so it strained against the material of the baggy joggers I had on. I didn't realise Vanessa had her hands down Cain's pants until she pushed them below his hairy arse so she could get to his prick.

As her delicate hands wrapped around his shaft and began wanking him, Cain told

RAISING THE BAR

Dear *Mayfair*,

Please pass on my sincerest thanks and admiration to Tommie Jo for her ballet-themed photos in your latest issue (52.02). I've always been incredibly turned-on by the ballet's erotic potential, so even though most of my mates think I'm crazy, I can't resist the occasional trip when there's one being performed nearby. I don't think it can be any coincidence that ballet evolved to feature so many gorgeous young ladies wearing skimpy outfits – do you? With those boobs – not to mention her perfect bum – I'm not sure Tommie Jo would quite fit in with your typical *corps de ballet*, but I'd certainly pay to see her performing – especially if she climaxed with a striptease along the lines of the one she's treating us to in the magazine. In fact I'm pretty sure she wouldn't be the only one to climax. I'd dearly love to get my hands on those ballet shoes she was wearing – what a perfect memento they would be of such an exquisite set of photos!

Colin, Basingstoke.

Cheers Colin - sadly we don't know what happened to the shoes. Perhaps some trophy hunter's already got his mitts on them... - Ed.

HARWOOD... IF I COULD!

Dear *Mayfair*,
Hats off to your Editor for getting Dannii Harwood back again so soon into 2017 – as far as I'm concerned you could put her in every issue for the rest of the year and I still wouldn't tire of her stunning beauty. She really is sensational in every single photograph, although I have to say if I had to pick one image that encapsulates what it is that makes *Mayfair* my magazine of choice, it'd have to be the one on page 44, which shows of her flawless face, magnificent boobs, trim waist and gives us just a teasing hint of pubes. Magnificent! And while I'm on the subject of magnificent – thank goodness you're going to be featuring Holly Gibbons again this month. Any chance of a girl/girl set with in which Holly and Dannii allow each other (and us) to explore their perfect bodies?
Mark, Hampstead.
Ooh, there's a nice idea. Let's see if we can sort something out! - Ed.

me to look lively and get stuck in. I was kind of enjoying my first bit of real-life voyeurism, so I encouraged him to go for it and instead whipped my cock out to give it a tug. He shrugged and did as I said, snogging Vanessa's face off, before suggesting that maybe she'd like to give his knob a lick.

Without hesitation, she dropped to her knees and slurped his prick into her lush mouth, using her tongue on his shaft and helmet before swallowing him all the way to the hilt. It was one of the horniest things I've ever witnessed and was soon aching to get involved.

Cain noticed me getting up out of my seat and making my way over so, being the good mate he is, told Vanessa to get to her feet. Again, she did as she was told and I moved in on her boobs, getting a mouthful of her stiff nipple and rolling it around gently between my teeth, enjoying the little mewing sound that escaped from her pouty lips.

I pulled her in close for a full kiss, exploring her mouth with my tongue, before asking if she'd like to see if my dick tasted any different to Cain's. Vanessa grinned and bent over at the waist, kissing her way down my chest and belly, finally licking at my prick like a lollipop, tongue lashing my helmet as her hand squeezed round my shaft.

Cain had moved in behind her and was now fondling her arse-cheeks, and rubbing himself against them. Not that he needed to get any harder, he just liked painting her skin with his shiny pre-come. Dirty bastard.

Cain and I grinned at each other over the top of Vanessa's back as she sucked up and down on my prick, my hand on her head for encouragement, and he smacked her arsecheek – not hard, but enough to make her jump – before guiding his length into her waiting, juicy pussy.

I felt as much as heard her gasp around my bell-end, and she kept on sucking me steady as he pushed his way in deep, before humping smoothly in and out. I told him to fiddle with her clit – she'd grip him even tighter then – and so he did, but she didn't miss a beat blowing my dick.

In fact, it was only when he leaned forward over her back to grab her tits and grope them again, pinching the nipples, that she sucked really sharply on me, and when he filled her snatch up totally, pushing his pelvis hard against hers she gagged on my tool which turned me on even more. I could feel the spunk begin to rise in my balls, and clenched every muscle in my body trying not to jizz. But if there's one thing Vanessa knows it's how to get me off, and she simply gave my plums a tickle, unleashing my load into her mouth.

She swallowed noisily, letting some of it dribble out. Then she banged back against Cain's crotch, so he stopped trying to pace himself and thumped hard into her, grunting with exertion. His body slapped up against hers as his cock pounded in and out of her sodden depths, then he jammed it right in and I knew she'd be clenching hard, tugging the spunk out of him.

We spent the rest of that Sunday fucking lazily – together and taking it in turns – and must have covered every conceivable position. Cain not only comes over every so often to repeat the experience, but he asked if I'd mind him seeing Vanessa on his own. And of course I don't – as long as she's up for it and we're all having a good time, why not share the love around?
Barney, Wallasey.

OLD BOILER

Dear *Mayfair*,
I've been renting my flat for about 8 months and never really got on with the landlord as he's a right grumpy little twat who rips off his tenants and won't repair any of the stuff that breaks.

His missus on the other hand, is well fit, for an older bird!

Anyway, last Friday she turned up at my door after I'd rung them about the faulty boiler for the umpteenth time.

As usual her skirt was a bit too short, her heels were too high and her make-up was a bit too tarty, but as I'd jerked off thinking about her only the night before, my dick stiffened as she tottered through the door.

Karen had always flirted with me and as we sat on the settee she kept touching my arm as she apologised for her husband's lack of action concerning the boiler and the scent of her cheap perfume was making my mind turn to thoughts of fucking her.

After a while, Karen began grumbling about her bloke on a more personal level. She started telling me intimate stuff about how he didn't satisfy her in bed and never gave

Were you getting a bit twitchy? A whole three issues in to this year's volume before we hooked up with one of our all time fave babes – honestly, what were we thinking of? Then again, perhaps it is possible to have too much of a good thing...

"Hmm, maybe you're right," admits the girl herself. "I love Creme Eggs, but I'm glad they're only on sale for a certain time of the year otherwise I'd be scoffing them all the time! As it is, I allow myself two a week until Easter's over, and then that's it!"

Very sensible – although it's be a real waste if you limited your other loves to just twice a week."

"Ah, there's no chance of that!"

her oral sex even though he expected it off her.

I stared at her big tits bulging through her tight sweater and the hem of her skirt riding up her nylon covered thighs as she crossed and uncrossed her legs next to me. I could feel my dick swelling and knew I had to make a move.

I put my arm around her shoulders and pulled her towards me. She raised her face upwards and pressed her bright red lips against mine, snaking her warm wet tongue into my mouth as we kissed passionately.

Immediately, Karen's hand was on my cock, squeezing the swelling shaft through my jeans as we snogged, her fingers then deftly flicking open the buttons on my fly and groping inside for my prick. I slid a hand up her jumper and grabbed a naked breast. She'd obviously had a job done on them because they were far too firm and perky for a woman around forty, but I certainly didn't care as they felt fucking sexy, and when I dragged up her sweater they looked fucking sexy too.

As Karen dragged my, by now, rigid dick clear of my pants, I sucked one massive hard nipple into my mouth while cupping her udders together, then moved to the next. Her fat tits were so big I could actually slurp on both teats at the same time, which seemed to trigger something wild in my landlord's wife as she gripped my meat hard and began jerking the foreskin back and forth.

Eager to show her what she was missing when it came to oral sex, I pulled away from her tits and licked my tongue down her bare stomach. She had to let go of my cock but when I rolled up her skirt and plunged my head between her thighs she didn't seem to mind. I had already worked out she was wearing stockings as I'd felt the suspenders through her skirt and I didn't give a fuck that her muff was still covered by a taut pair of satin panties as I ground my tongue against the damp material, searching out the groove of her slit with practised ease.

Karen groaned loudly and gaped her legs wide so that the lips of her pussy parted for me and I was able to actually push the gusset of her knickers into the fleshy tunnel before me.

> "SHE GOT ME TO STAND AND THRUST THE BULBOUS END OF MY THROBBING DICK STRAIGHT INTO HER MOUTH."

Yanking the now sodden material to one side, I sucked the stretchy cunt lips into my mouth while tickling her clit with my finger. Karen began panting with pleasure, gripping my head and pushing it hard against her crotch as I sucked her off.

Suddenly, she yelled like a banshee and thrust her cunt against my mouth. A squirt of thick fluid sprayed into my mouth, quickly followed by another. Fuck, no girl I'd ever known had come like this and I greedily swallowed down her offering as more and more splashed down my throat.

By now my dick was throbbing excitedly, desperate for attention, and luckily Karen was eager to help. She got me to stand and thrust the bulbous end of my twitching prick straight into her mouth. Her lipstick smeared down my shaft as she sunk its length towards her throat. Still sitting on the settee before me, she cupped those awesome boobs around my balls and the base of my meat, using her cleavage as a surrogate twat as she slid me up and down.

In between mouthfuls she explained that she wouldn't let me fuck her, but that I could come in her mouth, which was just fine with me. I leaned down and gripped her tits, mauling them obscenely around my dick as I banged her dirty mouth.

As she fondled my arse cheeks, I felt the sap rise in my balls and pulled my prick clear of her lips. Karen obligingly kept her mouth open and tickled the tip of my dick with her tongue as the first shot of thick white spunk fired all over her cheek. The second splattered against the back of her throat and the third, I purposely aimed at her lovely big jugs, watching the goo splatter over both mounds before trickling towards one of her – still very erect – nipples.

We cleaned ourselves up; Karen straightened her clothes and went to the bathroom to reapply her make-up. Before she left she suggested that if I were willing to suck her cunt on a regular basis, she would let me at those fabulous tits, as well as make sure her lousy hubby fixed the boiler. Seemed like a fair swap to me!

Gavin, Lincoln.

RED DENNIS

Dear *Mayfair*,
It's always a thrill when a new face appears in *Mayfair*, so to have three of them in 52.02 was an unexpected bonus! Amanda certainly looks like a fun girl, and displays a fabulous set of pins on page 26 (not to mention a perfectly peachy bum sitting atop them!). And as for that view of her meticulously shaven pussy thrust brazenly back at us on page 28 – well, words fail me! Roxy, meanwhile, looked fresh-faced and delightful as she frolicked in her red tights (shame she didn't rip them open, mind). And then to complete the trio of red-lingeried newbies there was Yasmin, who looked a million dollars as she provocatively shed her frillies and treated us to an eyeful of her most intimate parts. Talk about a holey trinity deserving to be worshipped!
Dennis, Newmarket.
Hey – we're supposed to be the ones who make the terrible puns round here, Dennis! – Ed.

Well I'll be damned – a 19 year old lovely who boasts a stupendous pair of natural 34Gs! Kylie, you're an extremely welcome new member to the Mayfair family!

"Ha-ha – thank you! Yes, I don't suppose these grow on trees, do they? But all the girls in my family seem to be blessed with pretty impressive racks, so for us it's nothing special, really."

Maybe not for you girls, but we reckon the guys in your family (well, the husbands and boyfriends at any rate) are probably rather more appreciative of them!

"Ah yes, you've got a point there!"

CONTINENTAL SHIFT!

If you thought last issue's car was a bit on the humdrum side for you, then perhaps you fancy something with a bit more kick...?

The Supersports name goes back to the Bentley 3 Litre, the company's first car built from 1921 through 1929. The highest output version of the 3 Litre was the Supersports, with a guaranteed top speed of 100 mph. Only 18 of them were built and not only did the car set the benchmark in its day on the road but the Bentley Supersports excelled on the track and won the 24 hour Le Mans in 1927.

With a top speed of 209 mph and a 0-60 mph time of 3.4 seconds the new Continental Supersports is the world's fastest and most powerful luxury four-seat car. Similarly, its soft-top sibling, the Continental Supersports Convertible, is the fastest four-seat convertible in the world, despatching the sprint to 60 mph in 3.7 seconds on its way to a 205 mph top speed.

Bentley's mighty W12 engine – redeveloped for the Supersports with new high-performance turbos and engine hardware, and a torque vectoring system – creates a Continental Supersports as agile as it is powerful. Meanwhile, unique styling cues inside and out give the new model a sharpened athletic appearance highlighting its performance potential.

As well as offering Supercar pace and a highly focused driving experience, there is no compromise in the refined nature of the Continental's ride quality. This fusion of extremes in luxury and performance make the Supersports the ultimate iteration of a model that has come to define and dominate the grand touring genre.

The supreme performance is matched by athletic handling. The Supersports has a specifically calibrated and updated version of the torque vectoring system first introduced on the Continental GT3-R. This dynamic system brakes individual front and rear wheels during acceleration out of corners to increase performance, whilst maintaining full power to un-braked wheels, and brakes the inside rear wheel on turn-in to improve agility. It also has a bespoke, less intrusive stability control calibration for a more precise chassis response. The new Supersports retains the rear-biased torque split of Bentley's all-wheel-drive system, sending 60 per cent of the engine's power to the rear wheels as standard for a better balanced, more sporting character, but with the ability to adjust the front-rear power split depending on available traction. Despite the focus on sharper driving dynamics, the Supersports' lowered and stiffened dynamic suspension set-up retains all of its luxurious ride quality for passengers wishing to cover long distances in supreme comfort.

As you would expect the new Continental Supersports features unique exterior and interior styling cues which reflect the significant uplift in the performance capability of this pinnacle grand tourer. Exterior changes include newly sculpted front and rear bumper designs incorporating a carbon-fibre splitter and diffuser respectively, new side sill extensions and bonnet vents also finished in carbon-fibre, gloss-black front wing vents and a new gloss-black, rifled exhaust tailpipe design. Completing the dramatic exterior look are dark-tint headlamps and tail-lamps, and a complement of black-finished brightware to the front grilles, lights, rear bumper, door handles and window surrounds.

> THE NEW CONTINENTAL SUPERSPORTS IS THE WORLD'S FASTEST AND MOST POWERFUL LUXURY FOUR-SEATER.

There is also an optional, aerodynamically balanced rear spoiler and front splitter combination for the coupe, new Supersports badging, a new black and bright-machined finish for the 21" forged alloy wheels and optional side decals. Further highlighting the enhanced performance, an optional gloss-finished, Supersports-branded carbon-fibre engine cover can be specified.

The new Continental Supersports Convertible offers the luxury and refinement of a coupé yet transforms into a head-turning open-tourer at the touch of a button. The multi-layer hood ensures high levels of refinement and acoustic insulation. Exhaustively tested in all conditions from -30°C to +50°C or more, it resists even monsoon-force rain and maintains comfortable, draft-free warmth even on the coldest days.

Another practical feature, the neck warmer, makes open air driving an appealing and comfortable prospect even on the cooler days of spring and autumn. With the hood down, the Continental Supersports Convertible offers sensational performance with the sensory amplification of open-air motoring. Hood up, it's as practical a year-round proposition as its coupé stablemate.

Inside, a host of bespoke styling details enhance the contemporary British luxury experience.

A unique colour split has been created, using three colours: the first tri-tone interior offered in this generation Continental GT. A new diamond-quilted design is incorporated in the seats and door side panels for a unique signature in Alcantara, while chequered Supersports

"DESPITE FOCUS ON SHARPER DRIVING DYNAMICS, THE SUPERSPORTS RETAINS ALL OF ITS LUXURIOUS RIDE QUALITY."

carbon-fibre fascia panels join the existing list of ten veneers and technical finishes available. The interior is completed by new Supersports emblem stitching, and a bespoke Supersports steering wheel and unique gearlever, both featuring Alcantara accents.

For Supersports customers seeking even more personalisation, an 'X Specification' pack is available, consisting of eight unique duo-tone paint treatments and carbon-fibre door mirrors and heel plates. The titanium exhaust option is included, as is a carbon-fibre finish to the interior side panels, the carbon-fibre engine cover and a gloss black finish to the 21" forged wheels.

As with all Bentleys, the Supersports can also be handed over to the highly skilled craftspeople at Mulliner, Bentley's bespoke coachbuilding department, who will respond to individual customer requirements. The sky really is the limit, but then so will your wallet have to be!

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 112 Down Street, West Molesey, KT8 2TU.

Little Johnny and Jenny are only 10 years old, but they just know that they are in love. One day they decide that they want to get married, so Johnny goes to Jenny's father to ask him for her hand.

Johnny bravely walks up to him and says, "Mr. Smith, Jenny and I are in love and I want to ask you for her hand in marriage."

Thinking that this was the cutest thing, Mr. Smith replies, "Well Johnny, you are only 10. Where will you two live?"

Johnny replies, "In Jenny's room. It's bigger than mine and we can both fit there nicely."

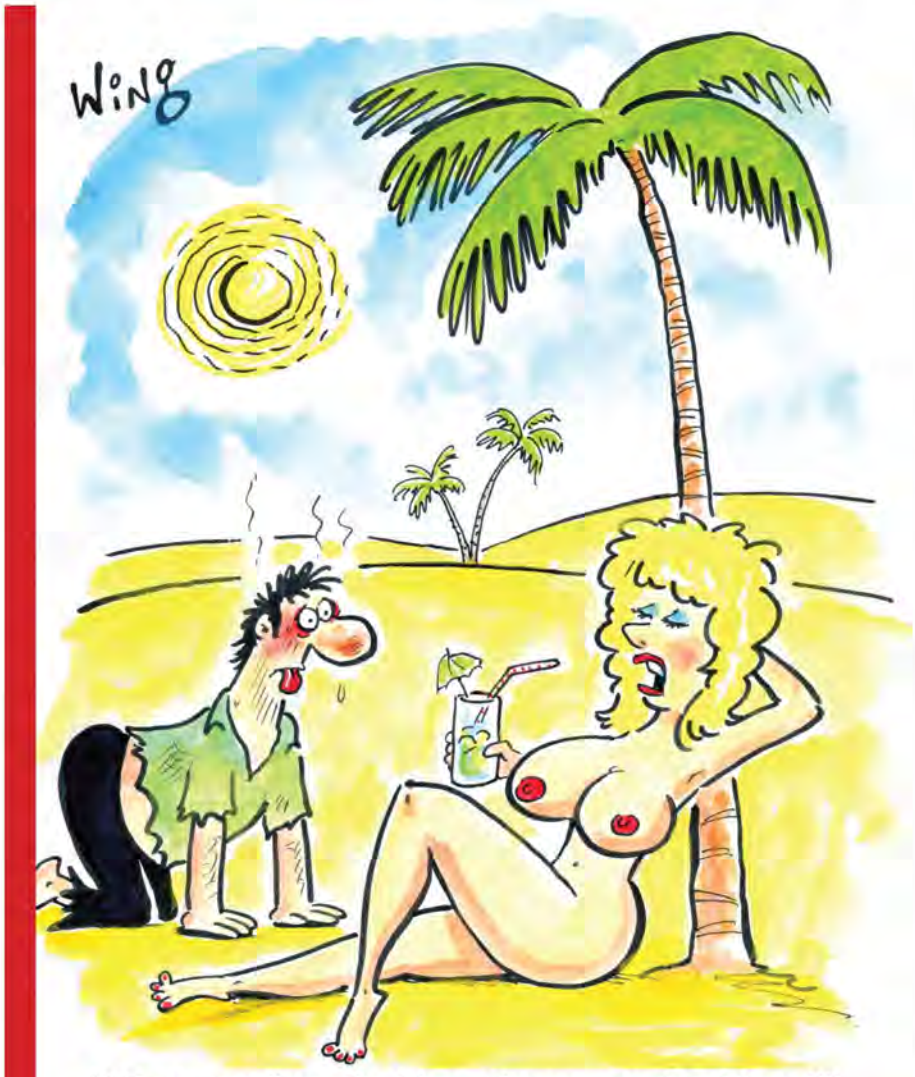
Still thinking this is just adorable, Mr. Smith says with a huge grin, "Okay then how will you live? You're not old enough to get a job. You'll need to support Jenny."

"Our pocket money. Jenny makes £5 a week and I make £10 a week. That's about £60 a month, and that should do us just fine."

By this time Mr. Smith is a little shocked that Johnny has put so much thought into this. So, he thinks for a moment, trying to come up with something that Johnny won't have an answer to.

After a second, Mr. Smith says, "Well Johnny, it seems like you have got everything all figured out. I just have one more question for you. What will you do if the two of you should have little ones of your own?"

Johnny just shrugs his shoulders and says, "Well, we've been lucky so far..."



"Of course I'm a fucking mirage, you knobhead!"

Two elderly ladies are walking through a monkey sanctury and come across the gorillas. After several minutes, they notice that the male gorilla has a massive erection. This fascinates the ladies. Finally, one of the women just can't bear it any longer so she reaches into the enclosure to touch it.

Suddenly, the gorilla grabs her, drags her in with her and mates with her! When he's done, the gorilla throws the woman back out.

An ambulance is called and the woman is taken away to the hospital.

A few days later, her friend visits her and asks, "Are you hurt?"

"Am I hurt?" replies the woman. "Wouldn't you be? He hasn't called, he hasn't written..."

A woman brought a very limp duck into a veterinary surgery. As she lay her pet on the table, the vet pulled out his stethoscope and listened to the bird's chest.

After a moment or two, the vet shook his head sadly and said, "I'm so sorry, your duck has passed away."

The distressed woman wailed, "Are you sure?"

"Yes, I am sure. The duck is dead," he replied.

"How can you be so sure?" She protested. "I mean, you haven't done any testing on him or anything. He might just be in a coma or something."

The vet rolled his eyes, turned around and left the room, and returned a few moments later with a black Labrador dog.

As the woman looked on in amazement, the dog stood on his hind legs, put his front paws on the examination table and sniffed the duck from top to bottom. He then looked at the vet with sad eyes and shook his head.

The vet patted the dog and returned a few moments later with a cat. The cat jumped up on the table and also sniffed delicately at the bird. The cat sat back and shook its head, meowed softly and strolled out of the room.

"I'm sorry, but as I said, this is most definitely, 100% certifiably, a dead duck."

Then the vet turned to his computer, hit a few keys and produced a bill, which he handed to the woman.

"£150!", she cried, "£150 just to tell me my duck is dead?!"

The vet shrugged. "I'm sorry. If you'd taken my word for it, the bill would have been £20, but with the Lab Report and the Cat Scan it's now £150.00..."

We've gone 6 whole issues since we last featured the spectacular Holly Gibbons, which is quite long enough, thank you very much. Goodness knows how much can change in that length of time – although by the look of things one thing that hasn't changed is just how stunning Holly herself is!

"It's true, plenty of things can change in 6 months – I've ditched my boyfriend, for starters, so I'm back on the market!"

That's the best news we've heard all year!

Scene from MAYFAIR

Funny how aliens always seem to speak English, isn't it? Except this time they don't - which if nothing else is very welcome news for the intergalactic translation business...

ARRIVAL

Sci-fi's a funny genre – the most successful sort tends to involve lots of running around fighting with laser guns and glowsticks, and of course we wouldn't want to knock those films (ahem, naming no names!) because if it's a cracking 90 minutes or so at the flicks you're after, they're just the ticket! But there's another sort of sci-fi which used the form to explore humanity more than just provide a visual thrill – films like *Solaris, Moon* and, well, this one! Amy Adams stars as linguistics professor Louise Banks who seems to have a handle on pretty well every language ever recorded, so she's the perfect go-to gal when a dozen monolithic alien ships turn up and attempt to open channels of communication. But it seems there's some sort of link between the alien visit and a very personal tragedy. A thoughtful film with not a laser blast in sight, this was one of the stand-out movies of 2016. Definitely worth watching!

DELICIOUS

Unless you subscribe to Sky then you'll no doubt have missed this series, which aired in January, which is a bit of a shame, frankly, because it's pretty classy offering, boasting a strong cast and an intriguing conceit. Dawn French, cashing in her comedy chips and trading them for proper drama, plays Gina, a cook whose hubby Leo (Iain Glen – taking time off from hacking his way through the role of Jorah Mormont in *Game of Thrones*) has left her for a rather more glamorous young wife in the shape of *Silent Witness*'s Emilia Fox. But things are a bit more complicated than that – Gina's cookery skills had played a big part in the success of chef Leo's business… and it transpires that Leo is once again straying from the marital bed (even though it's Emilia Fox in it!). Ahem, anyway, it turns out Gina's involvement with her ex isn't quite as over as everyone had thought. Ideal for a Sunday evening.

WOODY ALLEN 1979-1985

A few issues back we reviewed the first set of 6 Woody Allen films that Arrow Academy had released, and already by the end of that period he'd moved away from the out-and-out comedic treats of *Love and Death* and *Sleeper* into something a bit more meditative and self-reflexive with *Annie Hall*. As you'd expect, that trend continues with the next phase of his career, which opens with *Manhattan*, a glorious, black and white paean to his home town (admittedly with Allen's own romantic entanglements providing the driving force). There are still plenty of laughs, mind, which mark it out as arguably the high point of Allen's career. Not that the other films in this set are too shabby, with *Stardust Memories, Zelig, The Purple Rose of Cairo* and the rest all clearly the work of a man on top of his game. Another cracking release from Arrow that looks spanking fresh on Blu-ray.

VANESSA

Age: 24 **Vital Stats:** 32DD-24-34 5'5"
Photographer: Dazglam

Well it looks like we've rustled up another trio of newbies again this month, with the last of our debutantes this issue being Vanessa here, from Manchester. So how did her story from northern obscurity to a *Mayfair* spread begin, we wondered...

"I was working in a shop and this guy I was serving asked if I'd ever thought about modelling. Well, I hadn't really, but he gave me his card and we did a few topless shoots. Anyway, one thing lead to anther – and here I am!"

Well that sounds like one very fruitful shopping expedition!

EXECUTIVE AFFAIRS

★★★★☆

CAST: Lucia Love, Julie Skyhigh, Alexa Thomas, Katerina.

If I were interviewing people for a job and Lucia Love showed up, I think I'd give it to her right there and then, and it turns out I'm not the only one, because recruitment bod Julie is clearly inclined to give the potential recruit a try out. This she does by getting Lucia to kneel in front of her while she starts playing with herself – a technique I tried once (and only just managed to avoid a conviction for). Anyway, what with this being a bongo flick things run much more smoothly, with Lucia soon lapping at Julie's snizz. Some sort of double dong soon comes into play as well and, well, she's got the job! Next minute she's on the hunt for a promotion, which involves a fucking on her desk before he gets wanked off over her boobs. And again, it does the trick!

Her meteoric career continues apace, with a poolside knobbing from her boss (Lord Lucan!) before she gets to sit out a scene, watching Alexa take a carpark balling instead. Still, the last scene's the best of the lot, with the very cute Katerina lending a hand – and a pussy. Solid British fodder, this. **Available from your local sex shop.**

Harmony

OUTLAND 2

CAST: Chanel Preston, Anissa Kate, Jasmine Jae, Dahlia Sky, Franceska Jaimes.

Harmony are back with the second instalment of their steampunk epic, and it opens, rather surprisingly, with Ryan Ryder bring a degree of emotional depth to his role as a returning Civil War soldier. Why even Evan Stone does a bit of proper acting as the pair of them plot the destruction of the evil Sandor. Christ – give me some shagging before I get a nosebleed! Ah, phew – in return for a nifty looking gun the pair get to grips with Jasmine and Franceska, the girls looking relatively glad to get down to what they do best – and to be honest Ryan and Evan don't look too dischuffed either as they slam away. But that's just the start of it - there are plenty more shenanigans to follow, with filth piled upon filth in the dusty far west. Evan Stone's up and running again before long and gives Chanel Preston the sort of bumming she's not likely to forget in a hurry, and then Anissa Kate puts in a memorable turn as a happy hooker before Dahlia and Nacho Vidal see us out. Quality grot from start to finish. **Available from your local sex shop.**

DIRTY TALK

CAST: Kleio Valentein, Britney Amber, Kat Dior, Lyra Law, Edyn Blair.

While I'd be the first to admit there's nothing finer than watching comely porn flampers getting fucked silly (well, there is one thing, but for some reason I don't often get the chance to do more than watch) – there are those out there who've got a thing for listening to girls talking dirty. I'm not averse to it myself, as it happens – so this film, which combines both elements, is bound to be something of a winner!

It's a little surprising, then, to see things kick off with Lyra Law neither talking dirty or having it of, but having a half-arsed game of volleyball. Thankfully she soon takes her clothes off, at which point I started to take a bit more interest.

★★★★☆

Cue a fast cut from the sporting silliness to slurping on her fella's knob, then rubbering him up and hopping on. It's a nice bunk-up, but there's little more filth spoken than the average grumble scene.

Kleio's more vocal in the next scene, with plenty of chatter to keep Tommy Gunn's dander up, especially as she deep-throats him to within an inch of his (jammy) life. Furry-fannied Kat, meanwhile, seems to have mistaken dirty talk fora domestic dispute, but she more than makes up for it with her subsequent efforts. Britney and Edyn, meanwhile, both talk the talk as well as walking the walk with aplomb.

History might have turned out quite differently if, rather of having Bob Geldoff harranguing fishermen on the Thames, the Bremain campaign had instead enlisted the services of Stella here – as voracious a flamper as you could hope to find who upped sticks from Italy a couple of years ago to come and ply her trade in Blighty! It certainly would have made for a more arresting piece of news coverage, for starters, although given Stella's habit of stripping off whenever possibly, perhaps coverage isn't quite the right word...

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

Jenny threw a massive party at her home in Surrey, a huge great big place, very posh. We'd met while we were travelling in South America last summer so I didn't know any of her family, but was really pleased to be asked. I checked into the hotel that she'd booked for me, showered, changed and headed for her house in the car she'd sent over. See what I mean about being really posh?

As soon as I walked into the huge main room I couldn't help but notice one particular couple. They were very smart-looking, sure, but the most amazing thing about them was that although they thought no-one could see them I could tell that he was moving his hand between her legs. All of a sudden the man looked up and held my gaze for several seconds. He knew I'd been watching and I was unable to take my eyes off him. He kept looking at me over his partner's shoulder or when she looked away. He was very tall, dark and handsome, as the old cliché goes. He was also quite a lot older then me and those constant looks really made me feel like a little girl. I was secretly flirting with him and he knew it. When the music stopped he patted his partner on the behind, whispered something in her ear and left the dancefloor. He was heading in my direction.

Simply and confidently he held out his hand to me and led me onto the floor. He turned me so that my back was to the wall so no-one could see his hands. I could feel his breath on my shoulder and neck; it was warm and soft. He put his hands over the top of my buttocks and quickly realised I wasn't wearing any knickers (I didn't want to spoil the line of my dress). He pressed himself against me and I could feel his hard-on; I knew he wanted me.

He put his hands on my bum and pulled my cheeks apart. I gasped at his cheek. Then his hands dropped lower and he pulled my little dress up so that half my arse was hanging out. My nipples hardened at the thought of it and he knew the effect he was having on me.

Craftily he moved his hand round so that it was at the entrance to my wet pussy. He moved a couple of fingers inside me slightly and I pressed myself against him so he could reach better. He was using his fingers like a dick, pushing them in and out of me and it was driving me insane. It was outrageous. I had to pretend we were dancing while this stranger was actually finger-fucking me!

Suddenly he stopped and pulled down my dress. He'd noticed the music was coming to an end. Then he took my hand and led me off the dance floor, past all the other guests and out through the French windows into the garden. It was done so confidently that no-one gave us a second glance.

Away from the noise of the party this man leant me up against a tree, pulled my dress up so it was round my waist and still looking me in the eye, used his hand to open my legs. His fingers went inside me once more as the bark of the tree scratched my peachy little arse. I was dripping wet as he pulled and pushed his fingers in and out, running them over my clit every time

> "...HER TONGUE DOWN MY BELLY AND THEN BURIED HER FACE IN MY BUSH..."

he withdrew. I leaned forward. His dick was rock hard under his clothes, so I unbuttoned his trousers and unzipped him. His cock sprang into the night air. It was huge and I wanted it.

I sank down onto my knees in the mud and he pulled my dress over my head. I was naked apart from my sandals. My eyes were now level with his dick so I took hold of it with both hands and directed it into my waiting mouth. I felt his whole body clench and he steadied himself on the branch of the tree. He started to move in and out of my mouth, but I didn't want him to come so I pulled away. I ran my tongue greedily up and down the shaft, then quickly took him into my mouth again when I reached the top of his cock. I ran my tongue in the slit and tickled him. I knew he was hungry for a fuck because he couldn't stop his hips from moving.

I stood up and he grabbed my boobs for the first time, squeezing my nipples between his fingers and thumbs. I wanted his mouth there so I took his head and gently guided him down. He took a nipple in his mouth and covered it with saliva before moving to the other one.

Suddenly I heard someone coming up behind me and tried to turn my head to see who was there. He held my head straight so I couldn't look, then lifted his head to

me and smiled. "Open your mind," he said. With his hands on the sides of my head he stepped back so that I had to follow. Then I felt another body take the position I'd held against the tree. Then a different pair of hands reached for my tits. I quickly glanced down and saw manicured nails and rings. It was the woman who'd been dancing with him when I'd first arrived. Her fingers caressed my nipples. The man took a step back and the woman placed her body between us. She was already naked, with a body that seemed to belong to a woman who was much younger than her. She kissed my boobs and left lipstick smeared on my soft, white flesh. Then she ran her tongue down my belly and buried her face in my bush. She parted my legs with her hands and as I moved back to steady myself against the tree she started gobbling at my pussy.

I opened my eyes to see the man standing behind her and ramming his cock into her. She matched every stroke he gave with her tongue, fucking me with her long, expert muscle. I lowered my hands towards her and she took them, guiding them to her own hard, ripe nipples. As I squeezed them I felt her moan against my clit. I squeezed again, this time harder, and she bit me. My cunt was being eaten by a woman -– and I loved it!

Suddenly the man stopped and pulled out of the woman, took me and laid me down on the grass, then opened my legs really wide so that they could both look at my soaking pussy. He reached out and stroked me before finally easing his lovely big cock deep inside me. He started slowly, as if he was afraid of hurting me, but I bit his shoulder to say that I wanted it rough and he thrust hard and deep inside my cunt. I groaned with pleasure.

He used his dick like a dildo, moving it up over my clit, then back deep into my pussy. I came almost at once and he was quick to follow, just a stroke behind. I felt his hot spunk fill me and as he thrust deeper my pussy squeezed the very last juices out of him.

It took me a few moments to recover, but it wasn't all over yet. The woman crawled up to me and rested her pussy over my face. She lowered herself down on my mouth and gyrated her hips so my face was soaked with her juices. I ran my tongue over my lips to taste her, then reached for her hips and brought the pussy down to my mouth before skewering my tongue inside. She moaned and grabbed her tits, tweaking hard at her own nipples. I ran my tongue along her slit and found her engorged clit. I touched it and she winced with pleasure, then came the minute I squeezed it between my teeth, soaking my face with her come. I felt her cunt vibrate and twitch and rammed my tongue into it to share her orgasm. Once we'd all got our breath back the man and woman disappeared back across the garden to the house.

I was delighted but confused by the whole affair and the rest of the party went by in a blur. I didn't really remember taking the car back to the hotel, but knew when I woke up the following morning that I was supposed to be at Jenny's for breakfast at 10.

The house was eerily quiet as she led me into the drawing room, where I couldn't believe what greeted me. There was a family portrait hanging over the fireplace. Jenny was smiling with her mother and father – and her parents were the ones who'd fucked me the night before!

"I FELT HIS HOT SPUNK FILL ME UP AND AS HE THRUST HARDER MY PUSSY SQUEEZED THE VERY LAST JUICES OUT OF HIM."

I've always taken pride in my appearance and like to look damn near perfect at all times – after all, you never know what's going to happen, right? It seems strange to some of my friends that all the blokes I've been out with are really scruffy-looking, but I just

put it down to opposites attracting. Take Dev, my current boyfriend, for example. He works in a garage, so is a complete grease-monkey, but I love a bit of rough! Not so much when he gets oil on my new Dolce & Gabbana skirt, mind you… But when he gets in, all sweaty and dirty, and just grabs me for a quick fuck, I do love it!

The only time we really disagree about how he looks is when we're going somewhere nice together, like a nice restaurant or a party. The worse time on recent history, however, was when we had to go to his friend's wedding last month and he had to wear a suit and tie. Jeez, you would've thought he'd been asked to wear a tutu!

Despite me only being his plus one – and having only met the groom once – I forced him into an ironed shirt, suit, tie and respectable shoes, with an hour to go. But if I thought he'd made a fuss about his outfit, asking him to have a shave sent him over the edge! He practically had a tantrum, in spite of me telling him that he looked like he was going to court. It wouldn't be so bad if he ever trimmed or groomed it – facial hair can be extremely sexy – but it was a wiry, straggly mess and, to be completely honest, a little embarrassing.

After a bit of a battle of words, Dev finally blurted out, "what about the state of your bush? I don't see you shaving that! Alright, you shave your snatch and I'll shave my face!"

He then stood back, arms folded, with a really smug, triumphant look on his face. Pillock.

"Right then," I retorted, "Into the bedroom, then! Let's go!"

And with that, I marched off to grab my razor and shaving gel, leaving Dev looking after me, somewhat peeved that I would dare to call his bluff.

I'm no stranger to shaving my pubes. – I like to keep them nicely trimmed and have Brazilians done in the summer, but I'd never fancied losing the lot. However, I wasn't about to back down now – especially if it meant seeing Dev without that horrible beard.

Eventually following me into the bedroom, he offered to help, but I told him there was no way he was messing up his suit. Messing it from the inside was clearly his biggest risk – I could see he was already rock hard. I'd taken off my knickers, but left my hold-up stockings on and simply hiked up my dress. Now I was on the bed, towels under my arse and mirror propped in between my knees, smoothing sticky white foam into my pubes. Then I started pulling on my labia, stretching them taut so I could shave my fuzz off safely.

I got it done quickly – maybe too quickly for Dev's liking – then mopped and dried myself off. Now I finally gave in, letting him have a stroke of my freshly smooth skin. I knew I was turning him on, but I didn't realise how horny I'd got myself, too – not until his fingertips dipped inside my pussy. Although I knew we were in a rush I couldn't help myself, and I encouraged him to push them in deeper. As his knuckles disappeared inside my moistness, I started to moan, and screwed myself on Dev's fingers, grinding myself against his hand until I came.

While I'd been in the throes of my own

ecstasy, Dev had pulled his todger out and begun to stroke it with his fist, his breathing becoming louder. I knew he'd want a fuck, but I knew we were running out of time and I was determined to get him to shave his face!

As soon as I'd finished coming, I pulled away and stopped him from wanking to completion, reminding him of our deal and saying that if he was good, I'd make it up to him later. This seemed to do the trick and, although he was obviously wanting a shag, he reluctantly went into the bathroom to have a shave.

> "AS HIS KNUCKLES DISAPPEARED INSIDE MY MOISTNESS, I STARTED TO MOAN."

The guy who emerged ten minutes later looked completely different! Smart, slick and very sexy! I couldn't keep my hands off him and if we'd had any more time I would've ripped that suit right off him! But we didn't, so we headed off in his car, both feeling really fucking horny – him with blue balls and me getting hornier the more I looked at Dev's handsome face.

By the time we arrived at the registry office I could barely contain myself and I knew Dev felt the same. We obviously couldn't do anything in the car, as it was broad daylight, so once we got inside the building, we made the risqué decision to have a quickie in the ladies!

The thought of being caught just upped the anti and we felt so naughty waiting till the coast was clear before sneaking into the nearest cubicle. Trying to stop myself giggling at what we were doing, I couldn't resist teasing Dev, telling him to be careful not to crease my dress and not to get spunk anywhere! He just gave me a withering look, told me to "shut the fuck up" and bent me over the toilet, so that my bum was sticking up in the air, my wet pussy inviting him in.

> "HE PUT ONE HAND ON MY BUMCHEEK AND PUSHED HIMSELF INSIDE ME, HIS GIRTH STRETCHING ME OPEN."

Positioning his fat cock at my snatch entrance, he put one hand on my bumcheek and slowly pushed himself inside me, his girth stretching me open as he filled my pussy up to the brim. Quickly finding his rhythm, Dev began breathing heavily, softly moaning as he sawed his dick in and out of my juicy cunt, pushing the tip of his thumb into my bumhole and causing me to gasp.

As I reacted to the shock of his digit in my arse, he pummelled his prick as hard and as deep as he could, bringing me back to the point of orgasm immediately. Holding me by the hips he thrust into my climaxing twat, pumping his tool deep within my convulsing vaginal walls.

I came as quietly as I could, but it was so intense that I knew if someone else had been in that ladies' room, they would've known for sure what we were up to! I was only just coming down from my orgasm when Dev pulled out of me, his dick still rock hard – I had been sure he would've shot his load inside me at the same time – and told me to turn around, adding, "there's always one way of keeping our clothes spunk-free!"

As I faced him, I realized he was waving his beautiful schlong at me and I obliged, perching on the edge of the toilet seat and opening my mouth really wide so he could slide his cock inside it without making too much mess of my lipstick. I lapped against the underside of his helmet, then felt and tasted his spunk as it splattered out of his tip, onto my tongue and down the back of my throat.

We made it through the ceremony, but left the reception as soon as the meal was finished – I don't think I've ever been so desperate to get home for a screw in my life! I wasn't disappointed, either – five hours of constant fucking is a record for me… We should both shave more often!

Classic Monika

PHOTOGRAPHED BY JACK HARRISON

So many of our readers worship you, Monika. What do you think of all the fan mail?

It's nice to know I have fans and I like reading all the letters people send. It's weird to think of all these people writing who I've never even met. I would write back but I rarely have the time these days.

It's that tattoo of yours that excites people. Are you planning on getting any more?

Not after the problems it caused last time! My mum was really angry with me, she really didn't like it. Still, everyone else seems to – especially men! Why, do you think I should get some more?

How about 'Mum' on your shoulder?
To apologise you mean? [Laughs] No, she wouldn't be impressed I don't think.

Well, if you have any more done let us know.
I might get one on my belly, I'm not sure. You've got me thinking now!

Classic

Look, we've been to Bath a couple of times, and while it's a lovely place, the girls that hail from there don't quite have the look of Monika here about them. Still, perhaps she was there for a while, working in tourism – stranger things have happened, I guess, although off the top of my head I can't think of anything...
